Closing a session

Close session?

Lecturer · Transport Planning · CE201-01 · Session 09

Closing now ends all check-ins and changes the 12 students who have not checked in to Absent.

⚠ The rotating code stops immediately. Review the pending roster before continuing.

CONFIRM / CANCEL

Close now | Keep open

Trigger: select Close session while the session is open. Keep open cancels without changing attendance or stopping the code.

⚠ Courses with existing sessions cannot be deleted.

CONFIRM / CANCEL

Delete course | Cancel

Only courses with 0 sessions are eligible. Disable Delete for courses with sessions. Recheck before deletion; if sessions exist, block deletion and show the alert. Cancel keeps the course.

Delete schedule entry?

Delete schedule entry?

Admin · Transport Planning · CE201-01 · Monday 08:00–09:30 · B.402

Remove this recurring class time from the course timetable? This action cannot be undone.

⚠ Only this timetable entry will be removed. The course, its 40 enrolled students and 8 completed sessions will be retained.

CONFIRM / CANCEL

Delete schedule entry | Cancel

Trigger: select Delete schedule entry beside the affected class time. Show course, day, time and room before confirmation. Cancel leaves the timetable unchanged.

NFR-13 Actions requiring confirmation · Additions

Require explicit confirmation before completing each of the following actions:

- **Closing a session**
- **Deleting a course**
- **Deleting a schedule entry**

Retain all previously specified confirmation actions. Cancel must leave the underlying course, timetable or session unchanged.

Course restriction · FR-15

Confirmation never overrides the session restriction.

CE201-01 · Transport Planning has 8 completed sessions: Delete is unavailable.

CE205-01 · Urban Mobility has 0 sessions: Delete opens the confirmation preset.

If sessions are found on recheck, retain the course and show: “Courses with existing sessions cannot be deleted.”
